

Federal Programs: TITLE 1 Teacher Qualifications

FEDPRO-8: T1TQ
Updated December 2023

Garfield County School District (GCSD) provides assurances that it will follow procedures in accordance with Federal and State law and USBE Rules, including compliance with the USBE and Federal Programs.

TITLE 1: Teacher Qualifications

Parents may request the following information about professional qualification of their child’s teacher(s) at any Title I school in the district.

- The teacher has met state qualification and licensing requirements for the teacher’s grade level.
- The teacher is teaching under either an emergency or other provisional license through which the state qualification criteria has been waived.
- The teacher’s college degree, graduate certificate, and field of the teacher’s licensure.

Parents are also entitled to know the qualifications of paraeducators who may be working with their child(ren).

To request information, please contact your child(ren)’s principal or head teacher at the phone number below. You may also email them.
