

Federal Programs: Vision & Hearing Screening

FEDPRO-12: VH
Updated December 2023

Vision & Hearing Screenings:

During the school year our school nurse and screening designees will conduct hearing and vision screenings to designated grades and student groups.

You will be contacted if a concern arises regarding your child during a screening.

If you have a concern about your child, please call your school and they will contact the specific screener to be added to the next screening schedule.
